

UK Polar Network* Atmospheric Sciences Workshop

for Early Career Polar Researchers

29 April to 1 May 2009.

British Antarctic Survey, Cambridge

Invited speakers:

Stephane Bauguitte
Andrew Charlton-Perez
Dwayne Heard
Erik Kolstad
Peter Liss
David B. Stephenson
John Turner

Registration deadline 13 March.

Register online at:

<http://www.polarnetwork.org/machform/view.php?id=13>

Target audience:

This 3-day workshop is aimed at post-graduate students and post-doctoral researchers and will combine the themes of atmospheric measurement and modelling.

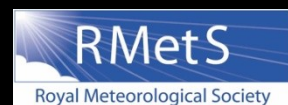

Sessions include:

- Talks by senior researchers on their career,
- Hands-on instrumentation sessions,
- Computer climate modelling practicals,
- Poster sessions for participants,
- Problem-solving workshops where problems posed by participants are discussed informally with experts.

*The UK Polar Network (UKPN) is a group of early career polar researchers that was founded as part of the 2007-2009 International Polar Year (IPY) and is the UK branch of the Association of Polar Early Career Scientists (APECS). Go to www.polarnetwork.org/new for more information.

This workshop will be the first of a series of UKPN workshops focussing of different aspects of polar science.
